## SPONSOR "NATIONAL KIDS' DAY"

Underprivileged children in more than 3,000 U. S. and Canadian communities will receive assistance from a far-reaching program of youth welfare announced this week by, left to right, J. Hugh Jackson, Stanford, Calif., president of Kiwanis International; Charles Pettijohn, Hollywood, executive secretary of the National Kids' Day Foundation; and J. Belmont Mosser, St. Marys, Pa., immediate past president of Kiwanis International.

Jackson, in announcing the cooperative effort, said "the problems of underprivileged children are the problems of the entire nation, but their solution depends upon local action. There are more than 3,000 Kiwanis clubs which are geared for participation in the program."

Focal point of the campaign will be the observance of an annual "National Kids' Day," the first to be held Saturday, Nov. 19, when each community will be asked to enlist the support of its citizens in meeting the problems of local youth.

National Kids' Day sponsors emphasized that it will not be celebrated as a holiday or used as a gift-giving occasion. "Observance of this day," Jackson said, "is a means of rallying the forces of each community toward solving local juvenile problems. We hope to raise funds to carry on a year-round program of youth activity in cities and towns in the U. S. and Canada. Money raised locally will be sent in the same community for the benefit of children."

## Workers Urged To Apply Promptly For SS Benefits

Many workers in this area are losing money because they do not know that they can receive old-age and survivors insurance and unemployment compensation at the same time, James T. Phelan, manager of the Cambridge office of the Social Security Administration, said today.

They are waiting until they exhaust their unemployment compensation benefits before filing for their old-age and survivors insurance payments. In many cases, this takes considerable time, and, as old-age and survivors insurance claims can only be retroactive for three months, they suffer a loss of payments for all those months from the time they stopped working up to three months before they file.

In Massachusetts, unemployment compensation benefits are paid to an individual regardless of whether he is receiving social security payments for the same period. It

is therefore to the advantage of the worker to contact his nearest social security field office immediately upon termination of his employment.

The difference between these two programs is not very well understood, Mr. Phelan stated. Unemployment compensation is designed to furnish a weekly income to wage earners while they are temporarily without work. The program is administered by the State. Old-age and Survivors Insurance, is a Federal insurance system to provide benefits for insured workers after they reach age 65, and for widows and children of insured workers who die. The plan makes it possible for a worker through his social security tax to lay away, every payday, a little bit of his pay against the time when he is too old to work, or for the support of dependents in case of his death.

The Cambridge office is located at 2 Trowbridge street.

IRISH TENOR TO SING AT HOLY GHOST COLLEGE SHOW

Christopher Lynch, the world's greatest Irish tenor, called upon the people of Massachusetts to rally with him to assure the rebuilding of the Holy Ghost College of Beauvais, France.

Mr. Lynch, who will star at the forthcoming Holy Ghost College benefit show at the Boston Garden on Saturday evening, September 10 made this appeal today in behalf of Reverend Brendan O'Connell, the Irish priest who is here in America to raise funds to rebuild the college which was totally destroyed during the war.

Christopher Lynch, whom the late John McCormack described as "The one most likely to succeed me", will present a program which touches on the entire field of song, which will include a group of Gaelic ballads and folk songs, sung so that you can smell the Shamrock in them.

He was born in Rathkeale, Ireland, and was first discovered singing in the choir of the local church by two wealthy music loving brothers, Joseph and Alphonsus O'Mara, friends of John McCormack.

The O'Mara brothers sent Lynch to Dr. Vincent O'Brien, the voice teacher who had discovered and developed McCormack. Dr. O'Brien coached Christopher until 1945 at which time he decided the young man was ready for the test of a Dublin appearance.

It was here that John McCormack first heard Christopher Lynch, and named him "The one most likely to succeed me."

News of the young tenor's voice spread around the world. He had the distinction of being signed as the star of a major radio network show, sight unseen.

He is today one of the greatest Irish tenors in the world.

Also on the same program with Christopher Lynch at the Boston Garden will be the famous French singer, Jean Sablon, and the "Evans Show Case" with Gloria Carroll and Carl Moore.

Local Residents Hear Boston University President Speak At Summer Commencement

Boston, Mass., August 20 — A record throng attended Boston University's Summer Commencement held today (Saturday, August 20), 1:00 p.m., at Symphony Hall, Boston, when 975 students were awarded degrees. A stirring address which brought forth enthusiastic audience reaction was delivered by President Daniel L. Marsh who told the graduates and their friends "Why I Believe In America."

This summer's graduating class was the largest summer group to be presented degrees at August exercises. Added to the 2970 June grads, the 1949 Boston University crop of graduates totaled 3945.

Dean Atlee Lane Percy, director of the Summer Term, presented the candidates to President Marsh via awards to them their degrees. The Commencement exercises formally closed the University's 35th annual Summer Term of studies and activities. Registration of students for the fall term will take place during the week of September 12.

In his commencement address, President Marsh said in part: "I believe that America is the best country with the best system of government, on the face of the earth. I believe that in spite of intermittences, exceptions, and faults which weaken our country and mar its perfection. I deplore

Arlington Teacher Weds Holy Cross Graduate

Gladioli, larkspur and lilies decorated the sanctuary of St. Jerome's Church in Arlington, on Saturday morning, for the ceremony at which Miss Mary Agnes Quirke, daughter of Mr. and Mrs. Michael Quirke, of this town, exchanged marriage vows with Holy Cross alumnus, George Joseph Remmert, son of Mr. and Mrs. Harold A. Remmert, of East Hartford, Conn. Rev. Joseph M. Fitzgibbons celebrated the nuptial mass.

Escorted to the altar by her father, Miss Quirke was gownned in cap-sleeved lustrous slipper satin with full skirt and Chantilly lace yoke to match her lace gauntlets. Chantilly also fashioned the seed pearl trimmed circlet which held her imported illusion fingertip veil. Gladioli and stephanotis made up the bridal bouquet.

Serving as honor maid for her sister, Miss Eileen Quirke chose white marquisette over Nile green taffeta, sashed in green, with a matching horsehair hat and basket of corona and rose gladioli completing her costume. Identically gownned, but in white over pink, were the bridesmaids, the Misses Ruth Burke and Jean Connors, both of Everett, carrying baskets of pink gladioli.

William Morlock, of East Hartford, Conn., was best man, and the ushers included Thomas Delaney, of Waterbury, Conn., and Thomas Smith, of Pascoag, R. I.

Men Welcome At Boston Edison Cooking Sessions

Men, young men and old men, bachelors and married men, men of all kinds are showing, it seems, a remarkable new interest in a field of activity considered to be dominated by the ladies. They like to cook the men do. They want to learn how to cook. They've come out of the toolrooms into the kitchens.

Throughout the country, men are enrolling in cooking schools, paying tuition fees for the privilege of donning an apron and a chef's cap. Here in Boston the would-be masterchefs will be given their opportunity to master the culinary art at a cooking school presented by the Boston Edison Company at the New John Hancock Hall.

The ladies, naturally, are expected to attend in full numbers. As a matter of fact the cooking school is being sponsored primarily for them. But, says Emma Maurice Tighe, Boston Edison Home Economist, "We have a wide welcome awaiting the men."

To be held next Tuesday, Wednesday and Thursday at two fifteen in the afternoon, the Boston Edison all-electric cooking school is free to the public. Tickets are available at any of the Boston Edison Shops.

The many friends of Mrs. Ann O'Neil, popular secretary at the office of Police Chief Archie F. Bullock, will be glad to welcome her back after a short vacation from her duties.

## RED CROSS WARNS OF HIGHWAY DANGERS ON LABOR DAY WEEKEND

Labor Day weekend has always been an important "holiday" for many. Even people who are unable to get away at any time during the summer plan to do something a little out of the ordinary on or over the Labor Day weekend.

"This is one of the many reasons why our highways are jammed and facilities at our beaches and all recreational centers are taxed beyond their limit," said E. Forest Hallet, director of the Boston Metropolitan Red Cross Accident Prevention Service. "It's one of the many reasons too, that the accident rate for this holiday weekend is so tragically high. 'Every possible precaution should be taken to prevent accidents,' he said.

"Motorists should obey all traffic signals, keep within speed limits, show consideration of other drivers on the highways. Weekenders at the beaches and in the country should be careful while swimming, boating or fishing. They should take immediate care of cuts, blisters, bruises or burns to prevent possible infection.

## Touring Bandits Stage Holdup In Arlington

Three touring-bandits, riding in a rented automobile, staged three armed robberies last week, two in Boston and one in Arlington, making their escape almost under the noses of a dozen police officers.

Following their first Boston holdup which netted them the sum of thirty dollars, the trio drove to Arlington, where they held up Jacob Harto, at 98 Broadway. He was closing his variety store at the time and when the men covered him with their guns, he ran out into the street. The bandits then lifted the money from the cash register and fled.

Returning to Boston, the trio arrived at 50 Blue Hill avenue, where they ordered a store owner, Andrew Gostapian, to turn over his cash. This last holdup brought the bandits the sum of eighty dollars, a total of \$170 in cash being the net result of the three holdups.

The police are still looking for the men, having found the bandit car abandoned in Roxbury. This car, police said, was rented from a Cambridge auto renting firm.

# MAD DOG

IF BITTEN BY ANY ANIMAL GO TO A DOCTOR AT ONCE. RABIES ("MAD DOG" — HYDROPHOBIA) AFFECTS DOGS AND OTHER ANIMALS.

RABIES IS A MAN KILLER UNLESS THE PASTEUR TREATMENT IS GIVEN. THE DOCTOR WILL TREAT THE WOUND AND DECIDE WHAT SHOULD BE DONE. IF IT IS A DOG BITE THE ANIMAL MAY BE HEALTHY BUT VICIOUS. IF SO, PASTEUR TREATMENT WILL NOT BE NEEDED. THERE IS ONLY ONE WAY TO FIND OUT.

THE DOG MUST BE LOCKED UP FOR OBSERVATION BY A VETERINARIAN. IF FOUND TO HAVE RABIES THE PASTEUR TREATMENT MUST BE GIVEN — IF A PERSON IS BITTEN AROUND THE HEAD, OR IF THE DOG IS KILLED OR ESCAPES WITHOUT OBSERVATION, THEN THE PASTEUR TREATMENT WILL PROBABLY BE GIVEN AT ONCE.

NOT ALL DOGS THAT HAVE RABIES ARE ABLE TO BITE. THOSE WITH "DUMB" RABIES CAN'T OPEN THEIR MOUTHS WIDE ENOUGH TO BITE AND OPEN THEIR MOUTHS WIDE ENOUGH TO BITE. BUT THE SALIVA WHICH Drips FROM THEIR MOUTHS CAN INFECT A PERSON IF IT ENTERS A CUT IN THE SKIN.

**IF YOUR DOG IS SICK TAKE HIM TO A VETERINARY DOCTOR, IT COULD BE THE DEADLY RABIES. IN THAT CASE SEE YOUR MEDICAL DOCTOR AT ONCE.**

More information on this subject will be found on the back of the small leaflet "Mad Dog" available at your Boy Scout office.

# BENEFIT CONCERT SEPT. 10 FOR HOLY GHOST HOSPITAL

Archbishop Richard J. Cushing of Boston has issued an appeal to all Catholics of the Diocese urging their support in insuring the success of the current Holy Ghost College fund drive, which is attracting world-wide attention at this time.

In this connection, a mammoth benefit concert will be held in Boston Garden on the evening of September 10th. The attractions will include Christopher Lynch, famous Irish tenor, the Mills Brothers and the Evans Show Case, featuring Boston's own Gloria Carroll and the inimitable Carl Moore.

Mr. Alfred F. Reilly, president of the Evans Lighter Company is donating the entire cost of the show.

The Holy Ghost Hospital, located in Beauvais, France, has had a long and turbulent history of service to humanity during the terrible days of World War Two, during which time it was destroyed by the Germans, suffering many losses in its priests and student body, but carrying its activities via the underground system and was instrumental in saving the lives of hundreds of American fliers and personnel. Father O'Connell, managing director of the College, himself suffered several narrow escapes from death at the hands of the German fanatics.

Archbishop Cushing urges all loyal members of the diocese to give this worthy cause their support in building up the College to its high level of consecration in humanitarian work.

# The William Hayballs Observe Anniversary

The best wishes of the ARLINGTON PRESS are extended to Mr. and Mrs. William Hayball, of 230 Broadway, Arlington, who recently observed their 57th wedding anniversary quietly at home. Due to an eye condition which Mr. Hayball is temporarily troubled, no especial observance of the day was planned.

Married in East Boston, the Hayballs have resided in Arlington for the past 25 years. Prior to his retirement from active business more than eight years ago, Mr. Hayball was employed in the composing room of the Boston Post for almost twenty years.

# Arlington Couple In Sunday Wedding

Miss Ruth Gertrude More, of 89 Decatur street, Arlington, the daughter of the late Mr. and Mrs. Joseph Edward More, of Holyoke, became the bride on Sunday afternoon, August 28th, in St. Agnes Church, Arlington, of Mr. Frank Zavaglia, son of Mr. and Mrs. Vincent Zavaglia, of 59 Union street, also of this town.

Following the ceremony performed by the Rev. William J. Linehan, a curate, a wedding reception was held in Chestnut Hall, Arlington. Upon their return from an extended wedding trip to Atlantic City, the couple will reside at 89 Decatur street, Arlington.

# Contest Winner Arlington Folk On Montreal Trip

On another of the popular four and one-half day cruises along the New England coast and up the St. Lawrence River to Montreal, aboard the Canadian National steamship Company's luxury liner, Lady Rodney, which left Commonwealth Pier at five o'clock on Monday night, were Mr. and Mrs. Philip H. Burt, of Arlington and Dr. Joseph Kerrigan, also of Arlington.

Charles M. "Woody" Wilson, manager of General Electric Appliances, Inc., 700 Commonwealth Avenue, Boston, today announced that Mrs. Neil Olken of 76 Robbins Road, Watertown, is the Middlesex County winner of the General Electric refrigerator Swap Contest. "Her refrigerator," he disclosed, "was only one of many thousands entered in the contest that had been in good operating condition for over 20 years."

Mrs. Olken, herself, when told that she would now have a 1949 de luxe space maker G-E refrigerator in place of her old machine, exclaimed that she couldn't believe that her machine could be one of the oldest. She said that it had run so smoothly.

However, she will accept the new refrigerator!

# Grange Outing
